LABOR DAY 2011

Even though Tropical Storm Lee tried to rain on our parade, I hope everyone was able to enjoy a safe and fun Labor Day!

DOWNTOWN ALIVE Fall 2011 Series!

What is one of the most fun things to do on a Friday night in the fall? Ok, besides high school football, which can be really fun to watch. That would be attending Downtown Alive! Something to look forward to during the work week. Being outside in the cool, fall weather (hopefully), enjoying some awesome music, and seeing old friends. A free event that happens downtown Lafayette every Friday night, September thru November.
